

The background of the entire slide is a photograph of the Atomic Bomb Dome in Hiroshima, Japan. The building is a large, circular, multi-story structure with a prominent dome that has a skeletal, rusted metal framework. The walls are made of brick and concrete, many of which are missing or damaged, revealing the interior. The building is situated on a grassy area with trees in the foreground and background. The sky is a clear, bright blue.

**10:30 on 4th Aug
Holy Cross
Anglican Church
in Albany**

**There will be a story,
prayers, music, and
origami cranes.**

***Remembering
Hiroshima
and
Prayer for
World Peace***
